existing Mini Cleaner

SPECIALLY DESIGNED FOR PLUMBERS

The ideal high-speed (up to 2100 rpm) drain cleaning solution for all types of 1¼" to 3" pipes, including those with multiple 90° bends and tricky reinstatements through 2" p-traps. Whichever model you choose, the Picote Mini Cleaner not only eliminates the need for you to carry a hand-held or floor-mounted drum machine, it reduces risk with its unique flexible outer casing, safety clutch and shielded operator foot pedal. In addition, it provides a quick and efficient cleaning of blocked drains, without the need for excessive water to be added to already flooded systems.
